INDUSTRY NEWS

Recycled Paper

FineLine Technologies offers recycled paper as an option for barcoded price tickets and tags. This initiative allows FineLine and its customers the opportunity to promote the use of recycled paper throughout the supply chain.

The FineLine Flash

Your source for up-to-date news and information on FineLine Technologies, the industry leader in retail ticketing and barcode software.

FineLine Technologies has announced that it has been named as a preferred provider of tickets, tags and labels for DSW, a national retailer headquartered in Columbus, Ohio. FineLine will produce tickets for DSW vendors around the world from its facilities in the U.S., Hong Kong and mainland China.

DSW is a leading specialty branded footwear retailer with stores in 37 states. DSW offers a wide selection of brand name and designer dress, casual and athletic footwear for men and women. To read the full article, [Click Here.](#)

FineLine and PVH to Present at VCF Conference "Global Ticketing Challenges for Manufacturers"

Richard Jaynes, FineLine Technologies Vice President, will present at the Vendor Compliance Federation's fall conference, "I.C.E. Age in the Desert," to be held November 9-12 at the Camelback Inn in Scottsdale, Arizona.

Jaynes and Linda Sarentino of PVH will discuss how PVH and FineLine have collaborated to better meet the complex demands of ticketing in a global environment.

Themed I.C.E. for Innovation, Collaboration and Execution, the conference will provide leading retailers, vendors, manufacturers and service providers with the opportunity to identify profitable best practices and to raise their trading partner relationships to the next level.
