The FineLine Flash

Your source for up-to-date news and information on FineLine Technologies, the industry leader in retail ticketing and barcode software.

Cost Plus World Market

FineLine Technologies has been chosen as a preferred provider of price tickets, tags and labels for Cost Plus World Market, a national retailer headquartered in Oakland, California. Richard Jaynes, FineLine VP of Sales, said, "Cost Plus, Inc. has selected us as one of only two preferred providers for its vendor community. We will be implementing FastTrak, our web-based ordering system, for Cost Plus and its vendors.

Cost Plus, Inc. operates 296 stores in 34 states under the names "World Market" and "Cost Plus World Market." The stores feature an ever-changing selection of casual home furnishings, house wares, gifts and accessories, gourmet foods and beverages imported from over 50 countries.

FineLine Announces Recycled Paper Option

FineLine Technologies can now offer recycled paper as an option for many of its bar-coded price tickets and hang tags. This new initiative will allow FineLine, and its retail partners and customers to promote the use of recycled paper throughout the supply chain.
